Hobbies and Interests:

My hobbies includes sketching, reading, watching movies, photography and listening music. I am very passionate about movies, both watching them and making them. Careerwise my interest lies mainly in animation, visual effects and movie making.

Practical Skills:

Softwares : Adobe Photoshop, InDesign, Illustrator, ImageReady,
After Effect and Premiere,
Adobe Flash, Dreamweaver
Corel Painter
Autodesk Maya, Poser, Electric Rain Swift 3D,
Sony Vegas and Sound Forge, Nuendo

Practical Experience :

1. Animation & Movies:

i. "Made In India"

An animated short of how a failing NASA Mission was saved by an Indian Sardarji just by sheer common sense. Created in Kaawad style, a Rajasthani Art form.

ii. "Not The BEST!"

An Animated short as my statement against this erratic behaviour of the BEST bus drivers!

iii. "Pleasure"

An animated short based on my realisation while understanding Pleasure, that
"Pleasure is very innate & personal, and it differs for each individual!"

iv. "The Climate Project"

An interactive presentation and a documentary for children about the Global Warming by The Climate Project group, did animation and editing.

v. "Embryology"

A part of "Joyful Motherhood" a video documentary by Scientica Life Sciences Pvt. Ltd.

Some of these and few other movies by me can be seen <http://www.youtube.com/ashwindongre>

2. Websites and Flash Movies:

- i. Website for Australia's best Aerial Photographer, Tim Mooney at <http://www.sydneywaterfronts.com> and <http://www.perthwaterfronts.com> . With an animated "Virtual Tour", a small narrated presentation of their best-seller books.
- ii. Flash movie for Trust Mail at <http://www.trustmail.in>
- iii. Website for Pilates Center of Olympia with an animated interactive book preview at <http://www.pilatesatplay.com>
- iv. Following are various websites & animations I designed in past and are now offline:
For Green Apple Design, 4004 Incorporated, Frenzy Ryderz, Prject Seminars Inc, Life Long Project, Cosmic Motors Nagpur, Careware Systems India, ALH, India

Many of these websites were selected as "The Featured Websites" on the biggest online Flash community "FlashKit.com".

3. Animated / Interactive Presentations:

I've designed & created animated interactive presentation "B R Films : The Next Level" for B.R. Film's 'Pix 'n Trix', "Bugatti Veyron" for Uber Hardware Australia, "Atlas of Ultrasound Cases - Obstetrics" for Scientica Life Sciences Pvt. Ltd and also for PGAG Architects India
